

# MINI COOPER D

## INTRODUCTION

The MINI Cooper D achieves the (almost) impossible. It appeals to both your common sense and to your sense of adventure. As a diesel it does more miles to the gallon, so is kinder to the environment and to your wallet. But packing a chunky 240 Nm of torque, and powering from 0-62 mph in just 9.9 seconds, it'll satisfy your desire for raw power, too. All topped off with MINI's famous head-turning design, and go-kart style handling.

## DESIGN

With the MINI Cooper D, design isn't just about looking the part, but about performance that makes driving the best part of your day. The wheel-at-each corner concept gives the MINI Cooper D its trademark bulldog stance, as well as its unique go-kart style handling. The MINI Cooper D also comes with some stylish extras such as coordinated exterior mirror caps with contrast roof and a chrome plated exhaust. It's guaranteed to put a smile on your face.

## SAFETY

The MINI Cooper D is not only thrilling to drive, it's also safe as houses. Anti-roll bars and a cutting-edge multi-link rear suspension will keep your wheels glued to the road, whatever comes your way. Anti-Lock Braking System (ABS), Cornering Brake Control (CBC), Electronic Brakeforce Distribution (EBD) and Brake Assist ensure you'll always be able to stop in time. But all the same, it's good to know that there's side impact protection, crumple zones and six airbags as standard as well.

## ENGINE

With an engine like this under the bonnet, you don't need to compromise. On the one hand, you can enjoy journeys long and short knowing that you get 72.4 mpg (combined). On the other, you can indulge your need for acceleration knowing that its 1.6 litre, 4 cylinder, 16V engine will get from 0-62 mph in under ten seconds (9.9). So the engine is as powerful as it is economical. Average consumption: 72.4 mpg combined  
CO2 emissions 104 (g/km)

## DRIVING EXPERIENCE

Sit down, buckle up and prepare for a drive so potent and punchy, you'll find it hard to believe it's running on diesel fuel. Crisp transmission and lively acceleration get you going; stable suspension, a low ground clearance and go-kart style handling keep your wheels on the road. The MINI Cooper D delivers all the thrills you'd expect from a MINI – and with each tank of fuel taking you further, you can enjoy it for longer too.

## FINANCE YOUR MINI

Our finance and insurance solutions have a lot in common with MINI itself. Why? Simple: they're extremely well designed and you can tailor them to suit your own individual tastes.

Whether you're looking to finance a MINI for yourself or your company, with our MINI Finance specialists you'll discover a variety of ways to get your hands on your chosen MINI, and then protect it.

## GET ON THE ROAD, STAY ON THE ROAD

Once you've got your MINI, you won't want to be apart from it. We know that, which is why we have a number of ways of helping you out, should the unexpected happen.

MINI Warranty gives your MINI three year's unlimited mileage – so you can go on as many adventures as you want. MINI Emergency Service cover is also standard on every new MINI and lasts for three years as well, designed to help you out in motoring emergencies.

Relax knowing that MINI tlc gives you 5 years, or 50,000 miles (whichever milestone is reached first) of servicing for just £150.

MINI tlc XL gives you a further 3 years, or 30,000 miles (whichever comes first) of servicing for an extra £380. So for £530 you can get a total of 80,000 miles or 8 years of servicing. An offer that's surely too good to miss.

For more information on any of the above products and services please visit your local MINI dealer or MINI Service Authorised Workshop.
